## Important Messages

In continuing our efforts to consolidate our legacy systems, we are moving customers to a single billing system. Nothing needs to be done on your part. The first invoice that you will receive from our new billing system will be in October 2005. You may notice a slight difference in the appearance of the invoice, but will find all of the information that you received with the old invoice format, and in some cases some more detail. We invite you to contact our customer care center toll-free at 800-995-4502 should you have any questions or concerns relating to this matter. Thank you for your continued business.
